Student Calculators

Dear carers and parents,

At the Farnborough Spencer Academy we believe in every child’s right to a first class education. To enable every child to complete their work to the best of their ability, they will regularly require the use of a calculator. A calculator must be brought to the academy each and every day.

We recognise that the cost of calculators can be a barrier so we have made the decision to loan to each child a single calculator. Your child will keep this calculator for the duration of their time at the academy. This calculator will need to be returned, in a good condition, to the academy on their final day. A good condition will mean that the calculator is fully working, the screen and buttons are undamaged and the calculator is free from graffiti.

By signing and returning the slip below you are agreeing to return this calculator to the academy at the end of your child’s time with us, in a good working order. If for any reason the calculator needs replacing, by signing and accepting the calculator given to your child, you are agreeing to reimburse the academy £13.14.

I (*print: carer’s/parents name*) _____ agree that my child will return their given calculator to the academy at the end of their time at the academy, in a good working order (undamaged and free from graffiti). If for any reason the calculator needs replacing, I agree to reimburse the academy £13.14.

Carer’s/parents signature _____ *Date* _____
