Parent Working Group

Dear parent or carer,

Curriculum and home learning overview

Based on feedback from the recent parent survey we are keen to address some of our practices. We are looking to inform parents and carers about what students are learning in school as part of the curriculum and also to provide an overview of home learning that students will receive.

We look forward to providing you with this information to strengthen the link between school and home, and welcome any support you are able to provide your child.

Parent working group

We are determined to get this right, so we would like to involve parents. We are looking to put together a parent working group to help us to provide the information and support you require. We have identified some areas which we would like some input on:

- Communication home.
- How can I support my child's learning?
- Understanding assessment and reports.
- Curriculum implementation.
- Home learning.

If you are interested in being part of this group, [please complete this form](#).

To sign up for this event please email: info@farnboroughspencer.com

Yours sincerely,

Steve Allen
Assistant Principal

**FARNBOROUGH
SPENCER ACADEMY**

**Are you interested in working
with the school? Why not get
involved with our *NEW***
